## Hog County Amateur Radio Association's Prayer Net

This is: "YOUR CALL SIGN"

Does anyone need to use this frequency before I call the **K4HOG Prayer Net**?

(If someone is on the frequency, let them know the net is about to start and ask if they could move their QSO or join the net if they like.)

Again, this is "YOUR CALL SIGN," and I will be Net Control for today's Net on **(DATE)**. My name is "YOUR NAME," and my QTH is "YOUR QTH, FL".

This is a non-denominational Prayer Net and open to all who choose to join us. You are welcome to request a prayer; you are welcome to pray. You are also welcome to share a Bible verse if you like. And share any other needs that this group might be able to help with. While we cannot guarantee it, we try to have a topic for discussion. If you have one, you are welcome to share.

We want to thank the repeater owner, the K4HOG - Hog County Amateur Radio Association, and those who help keep us on the air for allowing us to use this repeater for our net.

So, let's get started. Please provide your **Call Sign** and **Name**. Please speak slowly. I will acknowledge each call and then ask for the next one. Please be patient, and we will get everyone logged in.

As the Net winds down, ask whether anyone needs anything further or if there is anything the Net can do for anyone. (If so, deal with whatever it is however it needs to be dealt with.)

Thank you to everyone for joining the Net today. I invite you back next Tuesday at 8:00 PM ET for another wonderful Prayer Net. Have a great rest of your evening and week.

73,
